**ASEAN-INDIA**  
Research Training Fellowship (AIRTf)

The ASEAN-India Research Training Fellowship (AIRTf) Scheme is a flagship funding program started by Department of Science & Technology (DST), Government of India under the ASEAN India Science and Technology Development Fund (AISTDF), with Federation of Indian Chambers of Commerce and Industry (FICCI), as their implementation partner to support ASEAN young researchers to work at any of the Indian research/academic Institution. This prestigious fellowship aims at capacity building of young members of ASEAN Member Countries in science and technology and further strengthens the bond between India and ASEAN Member States. This fully funded fellowship is for a period of six months each with financial support for international travel, subsistence allowance, research contingency and domestic travel etc.

Applications are invited from ASEAN researchers for award of this fellowship for conducting research in Indian institutions across all areas of science and technology

**OBJECTIVES**

- Capacity building for young researchers
- Promote mobility of scientists and researchers
- Facilitate exchange of information, contacts and create a network for building research collaborations
- A gain-off-opportunity to get co-supervisors from India for their research projects for Ph.D. or Master's degree on their return to their home countries

**Outline of the Fellowship**

The objective of The ASEAN-India Research Training Fellowship (AIRTf) is to provide opportunity for ASEAN researchers to conduct research under the guidance of a host scientist in India in order to advance their own research capabilities while building scientific and technological cooperation between ASEAN and India.

**ASEAN Member States**

Brunei Cambodia Indonesia Lao PDR Malaysia  
Myanmar Philippines Singapore Thailand Vietnam

**Fields of Research**

All fields of natural and engineering sciences, including mathematics and statistics, Humanities and behavioural sciences are not covered under this scheme.

Number of Fellowships every year: Fifty (50) Fellowship Duration: Six (06) months

**Eligibility Criteria**

- Applicant must hold nationality of any of the ASEAN Member State
- Masters Degree in any Natural Sciences or an equivalent degree in Technology / Engineering / Medicine / allied disciplines
- Upper age limit: 45 years as on date of submission of application
- Applicant should be working in a national R&D or academic institutions in his/ her home ASEAN Member country

**Please note**

Applicants who have already availed AIRTf in any one of the previous years are NOT eligible to apply. Applicants who had applied in any of the previous years but were unsuccessful or could not avail it may re-apply for the current year.

**THANK YOU!! Cảm ơn bạn**
