Suranaree University of Technology (SUT) is delighted to announce the second round of its **SUT-Ph.D. Scholarship for ASEAN** (Phase II – years 2015-2017) for the year 2016. The scholarship program was established in 2011 to mark the creation of the ASEAN Economic Community as well as His Majesty the King's 84th birthday. This scholarship aims to attract outstanding students from the ASEAN member countries to pursue Ph.D. studies at Suranaree University of Technology, one of the leading National Research Universities of Thailand. It grants a total amount of 960,000 Baht (approx. 30,000 USD) over a period of three years and of 1,200,000 Baht (approx. 37,500 USD) over a period of five years to a candidate holding a master's or a bachelor's degree, respectively. Nine scholarships will be awarded to Ph.D. students commencing their studies in the 2016 academic year (starting July 2016). The deadline for submission of applications is on March 31st, 2016.
